## Attorney, Brooke L. Fiddler Joins Firm

We are very pleased to announce that Attorney, Brooke L. Fiddler, joined Worsham Law

Firm in September of 2006 as an associate attorney.

Brooke is from Conway, Arkansas and has an undergraduate degree from the University of Arkansas at Fayetteville, with a major in communications. Her Juris Doctor was obtained in 2006 from the University of Arkansas School of Law at Little

Rock.

Some of you may have had the pleasure of working with her here at the firm as a law clerk during her last two years of law school. If so, then you know that Brooke brings much to the table for this firm and its clients.

WELCOME BROOKE!

## Personal Injury

Whether your injury is from an automobile accident or other act of negligence, Worsham Law Firm can help you protect your legal rights.

Recovery of medical costs, lost earnings, pain and suffering, and property damage are typical in personal injury cases. To preserve these elements of damage, it is imperative that you:

- ▶ seek immediate medical attention.
- ▶ follow your doctor's

advice fully.

▶ keep a written daily journal of how your injuries and pain affect your normal activities.

▶ do not settle any claims without first obtaining legal advice.

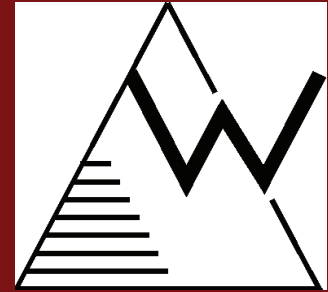

We offer a personal refreshing change to your typical "billboard" p.i. lawyer. Here, you actually meet with the attorney on a regular basis and stay informed throughout the process.

\$436,000.00 recovered year-to-date & counting!

## General Litigation

Breaches of contract and fraud issues are also a part of our litigation practice. These wrongs can occur in many facets of our lives, e.g., contractor problems, contract issues, general misrepresentations, etc. If you believe you may have been wronged by this type of conduct, call us to schedule a free consultation.

**Welcome Courtney Capps!**  
Ms. Capps joined our firm as our new receptionist in September.

## Help Us Help You

We will be in a better position to provide you with effective legal service if you:

- ▶ Keep us informed of any changes to your contact information, including e-mail.
- ▶ Make sure that you allow enough travel time to the courthouse to arrive no less than 15 minutes prior to your scheduled court appearance.
- ▶ Tell us everything!
